港大EMBA环球班让我深刻体会到香港作为国际金融与贸易枢纽的独特优势。课程汇聚全球顶尖师资与多元背景的同学，拓展了我对欧美及新兴市场消费趋势的理解，也让我学会以“香港视角”思考品牌战略。对我们品牌而言，这不仅是打造国际高端形象的关键平台，更是推动品牌全球化布局的重要起点。

The HKU EMBA-International Stream has allowed me to gain an in-depth understanding of the advantages that Hong Kong holds as a preeminent international financial and trade hub. The programme brings together world-class faculty members and classmates with diverse backgrounds, which has broadened my understanding of the consumption trends in Europe, America, and emerging markets, and also taught me to think about brand strategies from a "Hong Kong perspective". This is not only a crucial platform for building an international high-end image for our brand but also an important starting point for promoting the brand's globalisation strategy.

踏入港大EMBA的旅程，正值全球经济局势多变。透过这个结合理论与实务的环球班课程，让我有机会重新审视商业的本质与未来的方向。其中，“商业分析”课程尤为实用，课堂上所学的数据处理、建模与数据解读技巧，已实际应用于公司内部的销售分析与市场规划，成效立见。“现学现用”的体验，让我对学习充满投入与动力。

展望未来，我期待在后续学习课程中进一步拓展国际视野，培养跨领域整合与应变能力，为企业开创新局，也为自己打造更具前瞻性与全局观的领导力。

Embarking on the HKU EMBA journey comes at a time of significant global economic volatility. Through this programme, which blends theory with practicality, I have the opportunity to re-examine the essence of business and its future direction. Among the courses, Business Analytics has been especially impactful. The skills I acquired—data processing, modeling, and interpretation—have already been applied to sales analysis and marketing planning within my company, yielding tangible results. This “learn-and-apply” experience has greatly enhanced my motivation and engagement.

Looking ahead, I hope to further expand my global perspective and develop cross-disciplinary integration and adaptability through upcoming courses, paving the way for new breakthroughs in my business and shaping a leadership mindset that is both forward-looking and holistic.

我觉得开学两天的感受特别棒，和我预期的是一样的，我感受到了学院所有人的用心和真诚，还有同学们之间的友好和同频的互动。

沈海鹏院长的博学儒雅和楚军红教授的热情活力让我印象深刻，他们开学演讲的内容让我非常期待接下来的学习课程和学院用心安排的各种活动和学习交流机会，**用心+专业，这是港大EMBA给我的最真实的感受和期待。**

I truly believe that the experience during the first two days of the semester was absolutely wonderful and aligned perfectly with my expectations. I could vividly feel the wholehearted dedication and sincere warmth from every member of the school. Additionally, the friendliness and engaging interactions among my classmates were quite evident.

Prof. Haipeng Shen, with his profound knowledge and refined demeanor, and Prof. Junhong Chu, exuding enthusiasm and dynamic energy, both made an extremely deep impression on me. Their opening speeches have made me look forward to the upcoming courses with great eagerness. Moreover, I am eagerly anticipating the wide variety of activities and the valuable learning and exchange opportunities that the school has painstakingly arranged. The combination of unwavering commitment and professional excellence is undoubtedly the most genuine sentiment and expectation that the HKU EMBA-International Stream has brought to me.

57岁的我重新进入到大学攻读EMBA，我一直在做一件事情，就是思索大学是什么？为什么要读大学？如何读大学？怎样读好大学？加入港大之前，我同时也在英国和美国的知名大学的商学院之间做选择，但我认为我做出了最正确的选择。原以为多年实战经验已足够应对行业剧变，加入港大，让我重新理解了所谓“破界生长”的意义。港大是香港历史最悠久的大学，不同的学科领域的学术研究均在全球都有卓越表现。我认为读好一个大学，尤其是EMBA，很重要的是，如何聆听，如何与来自不同领域的精英同窗交流，思维碰撞出耀眼火花。

身为香港同仁基金创会会长，回首半生，家族四代在香港这片土地拼搏奋进，那些或起或伏的过往，平日裡忙碌中无暇细思。课堂之上，教授娓娓道来，犹如一个精准放映香港发展的纪录片，每一个细节、每一处转折，都与我内心深处的记忆严丝合缝。我看到家族如何在香港风云变幻中找准航向，也看到无数同行者的抉择与命运交织。这不仅是对个人经历的重温，更是透过微观视角洞察香港宏大社会变迁的契机。此刻深感，堂课是指引、是沉淀，让我带著更深的眷恋与洞察，开启在EMBA环球班的求学新篇，重塑商业智慧，续写家族荣光。

At 57, I enrolled in the HKU EMBA programme, constantly pondering the essence, value, and path to success at university. Before choosing HKU, I considered business schools at prestigious institutions in the UK and the US. However, I'm confident that enrolling at HKU was the best decision I could have made. Initially, I thought my extensive practical experience would suffice to handle the rapid changes in the industry. But HKU taught me the true meaning of "breaking boundaries and growing beyond limits." As the oldest university in Hong Kong, HKU enjoys a remarkable global reputation, with outstanding academic achievements across diverse disciplines. In my view, to excel in university, especially in an EMBA programme, the key lies in attentive listening and communicating with elite classmates from various fields. Such interactions can ignite brilliant sparks of thought.

As the chairman of the Tung Yan Foundation, I look back on my life so far. Four generations of my family have toiled tirelessly on this vibrant land of Hong Kong, often caught up in the hustle and bustle of daily life. However, in HKU's classrooms, when professors narrate Hong Kong's development, it's like watching a documentary. Every detail and every pivotal moment resonate deeply with my personal memories. I can clearly see how my family adapted to Hong Kong's ever-evolving landscape and how our paths intertwined with countless others. This isn't just a nostalgic reflection; it's a window through which I understand Hong Kong's broader social evolution from a personal perspective.

EMBA classes have become my guiding compass and a wellspring of profound introspection. They have stoked my passion for learning and deepened my understanding of the city I call home. Now, I'm excited to embark on a new chapter in the EMBA-International Stream, where I aim to refine my business acumen and continue to build on my family's legacy.
